Latest Raptors Star

Congratulations goes to Khalil Daizli, from our U17's who had a write up in the Canterbury-Bankstown Express this week.

The article spoke about how Khalil is at the highest grade he can be for his age and has been nominated for a Junior Sports Star Award to recognise the achievement .

Khalil talks about his success at refereeing and that he started because he wanted to boost his confidence and self esteem.

He started at 13 as a young official, and rose through the ranks of the Canterbury District Referees Association to be named Junior Referee in 2007. Now at age 16, Khalil is refereeing premier league, youth league and metro league.

You can find the whole article on page 54 of the Canterbury-Bankstown Express (date: 17 June 2008).

CONGRATULATIONS Khalil, keep up the great work!!

*UPCOMING EVENTS***NEWS AND INFORMATION**

Recreational sports have always required a high percentage of volunteers. The list of things that need to be done to make a club or other organization run smoothly can easily exceed the capacity of one person or a small group of people.

Roselands FC would like to personally extend a big THANK YOU!! to all for your contribution of time, week in week out in the canteen/bbq and field set-up, and ensure that it all runs smoothly.

The benefits of having several volunteers helping out cannot be over stated. The valued help from our many volunteers who donate their time ensures our club remains a success.

COACH TALK

Shooting Drills - Counter 3v2 with a Wing

Description: The attackers begin in line, at three different points: on the wing, 20 yards inward and in the middle of the pitch. Two enemy fullbacks are initially located at the edge and corner of the penalty box. The ball starts from the player in the center. He gives it to the left enemy defender who immediately lays it to the outside attacker. From that point, the fullbacks begin attempt to clear the ball to the opposite half of the pitch. The attackers are required to score using not more than three consecutive touches per single player.

Task: for the attackers - finish using less than three touches per player;
for the defenders - to clear the ball

Purpose: composure, direct attacks

Complexity: medium

Explanation: The initial pass between attackers and fullbacks is important from a psychological point of view. This interaction promotes a composed type of play rather than kick and rush football. Having a winger out wide stimulates a more complex tactical movement such as plays involving crossing.

ATTENTION! MATCH REPORT WRITERS, COACHES AND MANAGERS

...across all grades and ages

we'd greatly appreciate all teams having a match report submitted. It takes just a few minutes and is enjoyed by most players and parents. With so many teams trying so hard to break into a winning run and others overcoming all sorts of difficulties, many people read all the match reports. Keep them coming and if you feel it appropriate to share the workload around, that's ok, but we do ask that this be organised through your manager.

Striker Editors

CAN'T FIND YOUR TEAMS MATCH REPORT LISTED IN THE FOLLOWING PAGES?

Then refer to your teams coach or manager, chances are that they haven't submitted one yet. It's very simple to do... go to our home page, click on "Match report"... and fill in the blanks!!

Minis - U6 to U9 Results

U/6-2 vs Marrickville Coach: Arthur Athanasiou Manager: Maria Athanasiou

Score: 3-3 (drew) The best game of the season so far and will be hard to beat. All the boys are starting to get it together starting to realise the fundamentals of the game. Some good passing led to some exciting play and almost led to more goals. The back line held it together and were timing their runs to tackle the ball. At one stage I caught a couple of the kids telling each other to spread out. Credit must also go to Marrickville who also played awesome. Lots of excited yelling from parents of both sides but all in good spirits which helped add excitement to the game. The best part of the game was at the end when the whistle blew, parents from both sides ran on, not just to congratulate their own kids but to congratulate each other on an awesome game. A perfect result for a perfect game.

U/6-4 vs Five Dock Coach: Eddy Dinh Manager: Bree Kent

Score: 2-2 (drew) The team played great today. Our player of the match today was Joshua who tried really hard on the field. Well done to all the boys it was another nail biting game. Keep up the good work

U/6-5 vs Inter Lions Coach: Frederick Sarkis Manager: Kate Fowler

Score: 3-1 (lost) No report submitted

U/6-6 vs Strathfield Coach: Nafsika Liaskos Manager: Marina Liaskos

Score: Washout

U/7-4 vs Burwood Coach: Wayne Morris Manager: Angela Soliman

Score: 3-1 (won) No report submitted

U/7-5 vs Earlwood Coach: Angelo Houliaras Manager: Randa Elhassan

Score: 3-0 (won) The kids had a great game while the parents froze by the sidelines. Great work in the back Aaron, and Kaylan and Abbey you girls were stars. Mahmoud and Danish you played very well, Rashed and Marco great work in the front. Radwin and Abdulkader no one could get around you guys in the backs. Costa you were a star goal keeper - well played kids.

U/7-9 vs Leichhardt Saints Coach: Jacob Stavrou Manager: Sopha Vassil

Score: 3-6 (lost) No report submitted

U/8-1 vs Five Dock Coach: Allen Daizli Manager: Fay Sleiman

Score: 5-1 (won) No report submitted

U/8-7 vs Hurlstone Park Coach: Richard Kent Manager: Mark Wake

Score: 1-1 (drew) What a game. Our first game in our new division having been graded down to Division 7 and our second draw of the season (both of which have been against Hurlstone Park!). We played most of the game with 8 players as we had several of the team away or sick, however Luke Compton who came along to support despite being sick, bravely managed to play for about 10 minutes to help us out so that we had 9 for

a little while. Hurlstone Park on the other hand had 12 players and therefore plenty of substitutions were made. The kids played fantastic and we were unlucky to go a goal down half way through the first half having dominated most of the play. The second half we came out fighting again and Christian almost scored straight from the kick off - his shot going just wide. Enterprising play and good tackling by all players again meant that we dominated play and we were rewarded after 10 minutes when Christian managed to put one past the Hurlstone keeper who was having a very busy day and played superbly. All in all I think we had about 15 shots on goal (to their 3 or 4) and had it not been for their keepers ability we would have won easily. Once again a fantastic effort from everyone and hopefully more of this intensity will come for the rest of the season which should ensure that we get a few more draws and maybe even a win! Well done.

U/9-2 vs Earlwood Coach: Jim Plater Manager: Soraya Zbib

Score: Washout

U/9-7 vs Concord Coach: Dion Thomas Manager: Vicky Philactou

Score: 2-4 (lost) Our first game in a lower division seems to put us on par with other teams. We played our best so far this season and were 1 player short. All our goals are team efforts and the person putting them in is the end result, this time it was Karl Tartak with both. Nicholas Phylactou continues to play well and contributes continually with consistent good efforts. This is excellent considering he is 1 year younger than most the others and should be in the under 8s. Peter Thomas had his best game this year so far, though still not as good as he played last year. Ashniel Shankar continues to improve in his first year. With luck we may get some training in, if the weather allows, which seems to be what the boys really need.

COME & GET INVOLVED!!!

As you are no doubt aware this club is run by its many dedicated volunteers, including the Executive Committee, without whom the Club would not be able to function.

We are all parents, with many varied responsibilities and commitments. However we are all here for the same reason. OUR CHILDREN.. We all take the kids to training and games, it doesn't take much more time or effort to lend a hand to the parents who dedicate most of their time to making sure that the club runs effectively for the benefit of OUR CHILDREN.

If you can help even a little it will go a long way to keeping the club effective and vibrant. Volunteering doesn't always require a long term commitment.

Sometimes we need extra volunteers for a specific short term function such as, helping out with the BBQ, the canteen and even setting up the playing fields.

U/10-1 vs Enfield Coach: Steliy Georgiou Manager: Kon Fotakopoulos

Score: 6-1 (won) 1 v 2 today at bennett pk & the roselands boys come out strong winners with a 6 - 1 victory over our old nemesis enfield. After several weeks of average football & washed out sessions the lads where determined to stand up & be counted ,enfield started on a high note winning the ball in our box & scoring In the 5th min to go up 1-0 but all that did was spur our boys into action .Roselands midfield came to life & started to beat them to the 50/50 balls & Soon we opened our account with a well driven low corner shot to dean. Soon after that george struck again & we were in front, then in the last min of play josh running into the box was tripped & we won a penalty ,perry stepped up & calmly put it into the back of the net 3 -1 half time. Second half the boys came out firing & quickly made it 4-1 with a power drive to sam ,again we kept the pressure on & perry scored his 2nd for the day but more was to come & the best goal was our last with nice 1 - 2 movement between sam & george with sam putting it home .Well done to all & we played as a team & achieved a brilliant result. Also a special mention to perry for his best ever game for Roselands & welcome back charles & keep drinking your milk to help mend that Broken arm.

Score: 3-3 (drew) We started off a little slow and found ourselves down 1 nil early in the game. The scores were then equal after a great penalty taken by Denzel. We went into half time leading 2-1. Enfield kept on fighting and we were level once again. We then hit the lead with a great goal by Jacques but were unfortunate to cop a goal in the dying seconds. Well played boys. Let's keep up the good work.

Score:

U/13-3 vs Burwood Coach: Con Potsou Manager: Gary Ford

Score: 0-5 (lost) Another early morning cold start, managing to field 11 and 1 reserve, with players still trying to recover from flu and injuries. Regardless we played very well in the 1st half holding our opponents scoreless 20 minutes into the game. The pressure kept mounting and our lack of marking saw us go down 1 nil, minutes later a silly error cost us another goal going down 2-0 at half time. Unfortunately we didn't play our 2nd half like we did in the first, the boys started to tire and gaps became evident which Burwood took advantage of.

U/14-3 vs Marrickville Coach: John Mamatsi Manager: Renato Santos

Score: 2-0 (won) We were greeted at Mackey park by an overcast, grey, windy morning added to that was the exit from Euro 2008 of the Conquering 2004 Euro Champions, not exactly the way I had intended for the day to begin. The boys were looking forward to inflict Marrickville another loss to us since last years Grand Final. Our team formation was going to remain the same we were on a winning streak why change, except this time a couple of positional changes. The boys had not trained for two weeks so the hunger was there for another victory. The wind was blowing from right to left of the field so both teams would have an advantage either half. Joseph (team captain) and I decided if we won the toss to start with that wind on our backs, and hopefully have Marrickville chasing the game.

The boys played some great attacking football keeping the ball on the ground and passing it around, going in at half time with a two nil lead, was it going to be enough was the question, and only our defense was going to answer that, facing the wind. We certainly gave Marrickville chances to score by giving away to many corners in the second half but again Marrickville were assisted by the wind playing a part in that. We too created chances to score in the second half but today was not going to be Sam's day finishing the game without a credit next to his name, especially with two chances with just the keeper to beat. The spoils went to Justin who played a man of the match performance. Great work by our back four in the second half who kept Marrickville frustrated, by continually putting their bodies on the line to block a shot. Well done on your efforts today boys keeping Marrickville scoreless. Thank you to Peter Zeini for

running a line today, and thank you to all the parents and friends for their support.

U/14-4 vs Hurlstone Park Coach: Mick Able Manager: Mark Wake

Score: 2-4 (lost) A frustrating result. We went 2-0 up in the first 10 minutes thanks to Nicholas who found the back of the net twice. The first goal came from what was possibly our best passage of play all season, and the second was due to some gritty determination and not giving up. Unfortunately that flurry of activity early on seemed to take the steam out of us and we struggled to keep going after the first 20 minutes with our halves noticeably tiring. This was not helped by the fact that we had no reserves today which was extremely disappointing - we had banked on having one but didn't find out till after kick off that Imad was not coming and this left us with no time to find a replacement.

Hurlstone Park came back at us with two goals late in the first half to leave the game at 2-2 at half time. With the wind behind us in the second half we were hoping to find that elusive third goal to give us a bit of comfort, but Hurlstone managed to score against the run of play to go 3-2 up. Still with plenty of time to go we pressed for the equaliser but it wouldn't come despite us having a number of shots, one of which a free kick from Christopher from 30 yards was just turned over the bar. Our legs were really heavy towards the end of the game and Hurlstone were able to apply regular pressure which resulted in a 4th goal for them. We need to challenge that bit harder for those 50/50 balls and chase back. Once again we have played a team above us and have come away feeling we can beat them but didn't. Once again it has been caused by a lack of player availability. Well done considering

Score: 3-0 (won) Saturday was a cold and blistering day, overcast and grey, different conditions to what we have played in so far.....perfect conditions though for a saturday afternoon game of football between two sides who had met in the past (with Leichhardt victorious 4-1), only this time something felt different.....

There was definately something eerie about today - two of my teammates (who turn out to be the goalscorers) had called me over the course of the morning out of the blue, and each of them sounded geed up and ready for war! I had never heard these 2 guys talk like this, with such confidence and determination in their voice. To add to the weirdness, one of the more reserved guys in our group sent an email late Friday evening pumping us all up, with a powerful message which was intended to rattle some cages and get some guys thinking - we can get them!

As for myself, I had come off the back of watching 300 for the 5th time this week, and god help me I was jumping out of my skin, the taste of blood in my mouth, ready and willing to lead my men to victory.....we were accepting nothing but victory today. The pitch we were playing on was the best Bennett Park had to offer, and we promised ourselves we were going to make the best use of it possible.

The game kicked off and from the first touch of the ball you could tell we were in for a fight, with the Leichhardt team looked like they were ready to give as good as they got.

Roselands was moving the ball around as good as they ever have. Greg and George were dictating the play in midfield, with alot of good runs down the flanks by Harry and Michael. Early on in the piece, Roselands were creating good chances, with George unlucky not to open the account with a rasping drive from outside the box which cleared the crossbar. At the 25th min, a great opportunity created by Greg after a mazy run through midfield saw him change direction and slot a beautiful through ball to Michael, who probably should have shot but rather squared the ball to Nick, with the touch too strong and an opportunity squandered. However, we were playing the game in their half. 5 minutes later, the koumbari in our team combined to score a beautiful opening goal. Tassos sent a nice ball from left back through the middle to George, who then turned and made a bustling run down the left hand side of the field. He beat the defender, and from the edge of the 18 yard box unleashed a powerful low left foot drive, which left the keeper beaten and nestling in the bottom right corner of the net. 1-0 to Roselands. This had the Leichhardt team rattled, and with that come some aggressive play. However, like the Spartans who took on the mighty Persian army, they stood toe to toe and the boys put their bodies on the line, with some solid defence and tackles that would make John Terry cry.

At the 40 minute mark, we witnessed some magic that should easily take goal of the year. The ball started from right back with Peter M giving a quick ball down the line for Neville, who switched to right midfield after playing left mid for a period. Neville spotted Michael square on the inside, and after a quick one two via Michaels flick on, Neville let it bounce once, teed it up and from about 25-30 yards let rip a thunderbolt from his right boot which nearly ripped the top left hand corner apart, the keeper left with no chance but to watch his net ripple from the power of the shot. The boys erupted in celebration, and it will take some effort to top that gem. 2-0 to Roselands, and the first half ended.

We had a break, gathered our thoughts and levelled our heads. We were on our way. The team talk was nothing more then a few words, as they boys knew what we had to do. The second half started OK, with a more physical approach to the game taking its toll at times with a few heated exchanges, however the ref allowed the game to continue without too many fouls. Roselands were defendning more this half, as Leichhardt looked for an opener. This half was mainly defensive, and our goalkeeper was playing out of his

skin with timely runs to shut down certain goals and some magnificent saves. At about the 80th min and against the run of play, a nice ball from Tassos to Michael in the middle was knocked on to Harry, who made a darting run down the left flank. After a quick one two from Harry to Michael, Michael took on the last defender, beat his man, and sent a low driven shot which deflected off the keepers legs and in for the third. Final score Roselands 3 Leichhardt Tigers 0.

Guys, this is just the beginning. We will strive to emulate that effort in future rounds, and who knows what happens from there! Well done once again to everyone, and looking forward to the next round.
