Important Memorandum

Attention Players and Members

The Canterbury City Council has asked us to vacate Bennett Park for a period of time of up to Four Weeks commencing this week; they will be conducting reseeding work on the two main fields.

As a consequence we will only have the use of Bennett Park for training nights on the Northern end fields, (Mini's and Field 3). This will hinder the room available on Bennett Park therefore we have also been offered Bland Oval for training which is located on Bonds Rd, southern end, under the M5 overpass. Amenities at Bland Oval will be available as well as lighting for training.

We now ask all our senior teams, All Age and O35's, to commence conducting their training from Bland Oval this week.

A review of training facilities and congestion will be undertaken during the

Weekend Games Schedule has been reviewed.

*All SSG and MINI'S – U8's, U9's, U10's, U11's will continue to be played at Bennett Park.

*All other games consisting of u12's and up will be played out of Punchbowl Oval

Punchbowl Park is unavailable to us for Training as it is used by another Sports Club

During the week we will be transferring all required equipment, and canteen stock any assistance will be appreciated.

We envisage that this move will only be till the end of June.

Kind Regards

Imad Alameddine

President *Roselands Raptors FC*

Message from the President

A huge thank you to the following people who helped make the park run smoothly last weekend. It's volunteers such as these good folk who keep **YOUR** club running. Why don't **YOU** join them from time to time?? Even an hour of your time is all we need to "keep the ship on an even keel".

Sydney FC coming to Roselands

The Sydney FC visit as been postponed to a later date, to be advised due to inclement weather.

We are pleased to advise that two members of the victorious 2010 premiership winning Sydney FC team will be visiting Roselands FC on TBA at Bennett Park from TBA to meet our club members and sign autographs.

This is a great opportunity to meet players playing at the elite level in Australia. We plan to have the canteen open and a sausage sizzle on the night so make sure you let your teams know.

Wet Weather arrangements will be notified if required.

Please contact Maria Gissing (0417 694 719) if you have any questions.

Roselands FC Calling For Volunteers

We are currently seeking volunteers to help out with various tasks for the club during 2009. It is sometimes easy to neglect how much work is required to keep a successful club of this size running smoothly throughout the season.

Even the smallest amount of assistance is greatly appreciated and contributes significantly to the overall operation and success of Roselands FC.

As always we constantly need assistance with canteen, BBQ, field set up, coaching, managing etc etc! Remember that the club is all of us and we all need to be involved to make it all happen. As the old saying goes, " **many hands make light work.**"

We ask that anyone that considers themselves able to help out in any capacity no matter how insignificant it may seem, please contact us.

Channels of Communication

There are many channels of communication within our club. These include email, SMS, the web site, the Striker and the pigeon holes located in the club house.

As all of you are in the club house at some point during the week for training, could you please remember to check your pigeon holes. There is a host of information put in them most weeks about upcoming games, canteen rosters and club news. All of which will help you keep your players and parents well informed and will allow you and the parents to organise their time.

For up to date information, the best place to check is the web site. Having said that, please also note that there are certain things that are not posted on the web and are only placed in your pigeon holes. So please check them.

If you cannot find information through these sources, as always the members of the EC are more than happy to answer any questions, direct or help you in any way we can.

Quote of the week!

"I'm going to make a prediction - it could go either way."

Outstanding Fees

All outstanding fees are required for payment to the club as soon as possible. This is a requirement to ensure your child has adequate insurance coverage with the club, and is registered.

Remember "No Pay No Play"

Match Sheets

- Completed match sheets, for that weeks round, should be returned to the club house by **Sunday afternoon**. There is a wooden vertical file on the desk. Please place the sheet in the corresponding slot (as labelled).

- The weekly Striker is published on the Web every Wednesday. **Close off** for submission of match reports for inclusion is **Tuesday night**. This allows time for putting it all together and publishing. If you miss the Tuesday day deadline, please still submit your report. It will be included in the following week.

- If you have a problem submitting your match report please check your antivirus & browser settings, adjust if necessary. If you continue to have problems please contact our webmaster.

JERSEY WASHING INSTRUCTIONS:

1. DO NOT IRON JERSEYS!
2. Wash all jerseys together inside out
3. Cold machine wash.

If you experience any problems with the shirts please let us know ASAP

Coach Talk

Throw Ins

Everyone in your team must be able to throw the ball in. Forget designated throwers and use the following soccer coaching tips to help your players improve their throw-in skills.

In youth soccer, nearly 70 per cent of throw-ins are foul throws and the ball is lost to the other team. It seems young teams might be better off kicking the ball out of bounds and stealing the ensuing throw-in. To reverse these odds, every player on your team must be prepared to execute a proper throw-in and get the ball into play almost immediately.

A sudden restart can catch the defence off-balance and greatly increases the odds of keeping possession, and offers a chance to get behind the defence and make a run on goal.

Take advantage of opponents

While teaching players to get the ball back into play quickly hardly seems like rocket science, simple actions and moves, done correctly at the U-10 level and below, are extremely effective. Marking off the ball is one of the weakest areas of youth soccer, and a quick-thinking player can take advantage of opponents not only during the run of play, but on restarts as well.

Don't go for designated throwers

Some soccer coaches rely on one or two players to take all throw-ins. We'll call them designated throwers. The designated thrower is the most exhausted player on the field. The designated thrower is required to sprint up and down the sideline, or even across the field, to take a simple throw in. Most adults would soon collapse under such a pace, but it is routinely required of U-10s with shorter legs and smaller lungs.

Let them all throw it

All too often, when a ball is knocked out of bounds upfield, a quick-thinking forward prepares to toss it back in play, only to be halted by her coach. “Why can’t I take the throw?” protests the confused forward. “Because you’re not a midfielder,” yells the coach. “Only the midfielders take throws.”

Five soccer coaching tips for quick throw-ins

- Quick throw-ins increase the chances of your team scoring goals.
- Make sure every player on your team knows how to take a throw-in.
- Don’t slow the game down by calling for a designated thrower.
- Throw the ball towards the opposition goal “down the line”.
- Don’t stop players who are first to the ball from taking quick throw-ins.

Time-saving tip

While a quick throw may lead to a great scoring chance or two, the impact of this soccer tactic goes far beyond the win-loss column. In age groups where games may last only 50 or 60 minutes, too much time is wasted just putting the ball back into play. Young players must touch the ball as much as possible.

Teaching tactical awareness

Soccer coaches who emphasize quick throws also play an important role in teaching tactical awareness to their opponents. Teams defending against a designated thrower usually have at least 20 or 30 seconds to drop back behind the ball. Casual defending against sudden restarts will not work.

Take time and teach skills

Since skills, experience and endurance are limited at the lower age groups, young players should never be asked to do the impossible. Coaches who truly care about preparing young players for a higher level of play should take time to teach every beginner how to execute a proper throw-in. Once that is accomplished, throw the ball back on the field and let the kids play.

Drill of the Week

How Strikers Can Stretch The Opposition

If your striker retreats too far back when your team has the ball, he is in the wrong position and makes it harder for his team to turn defence into attack and easier for his opponents to mark him.

If you look at diagram 1 you can see the striker 9 has retreated too far back. He has killed the space between himself and the defender with the ball 3. This means the opposition markers 4 and 5 are able to mark their opponents tighter because their covering defender 2 is closer. The player 9 is in their line of vision so they can easily watch him.

This has made the pitch much smaller for the white team and means it will be harder to move the ball upfield because they have far less space to use. When the passer 3 passes to either of the midfielders the striker 9’s position means there is no forward movement of the ball and the move breaks down.

Push your striker forward to create space

Diagram 1

Diagram 2

Much harder to defend against

In diagram 2, the striker 9 has pushed deep into the opponents' half. The opposition midfielders have to leave him to the defender 2 and are unsure where the pass will go.

Defender 3 can pass to one of his midfielders and create space for the second midfielder. Striker 9 can then move to receive a pass either through the middle or down the line, and with more space to defend only defender 2 can stop him. The distance and angle for striker 9 is better. The white team has more options, while the opposition finds it much harder to defend against.

Coach Talk By Coach Con...

Joke of the Week

Three fans were bemoaning the fact that their team kept losing and was facing relegation.

"I blame the manager" said the first, "if he would sign new players then we could be a great side"

"I blame the players" said the second, "if they made more effort I am sure we would score more goals"

"I blame my parents", added the third, " if I'd been born in another town I'd be supporting a decent team!"

Coaching Philosophies

Establish the Running Game: Force the defense to respect the running game, taking the teeth out of the pass rush, and you open up the passing attack.

MATCH REPORT WRITERS, COACHES AND MANAGERS

...across all grades and ages we'd greatly appreciate all teams having a match report submitted. It takes just a few minutes and is enjoyed by most players and parents. With so many teams trying so hard to break into a winning run and others overcoming all sorts of difficulties, many people read all the match reports. Keep them coming and if you feel it appropriate to share the workload around, that's ok, but we do ask that this be organised through your manager.

CAN'T FIND YOUR TEAMS MATCH REPORT LISTED IN THE FOLLOWING PAGES?

Then refer to your teams coach or manager, chances are that they haven't submitted one yet. It's very simple to do... go to our home page, click on "Match report" ... and fill in the blanks!!

Match Reports Round 7

U6 Bilbys vs Kangaroos | Won 8-7 |

DATE: 22/05/10 ROUND: 7

Match Report: After all the rain it was quite muddy. However with no training the kids from both teams really made a great effort and played well. Bilbys were blessed by having the Kangaroos score 2 home goals. Thanks Kangaroos! Don't think the rules say we have to return the favour????????? There were lots of tired kids after the very fast game, filled with lots of running up and down the field. Ghorsan and Alyssa were the top scorers on the Bilby's team each kicking 3 goals each. Well done! Bilbys player of the match was Jayesh, our youngest in the team, for improvement in trying to chase the ball. Hooray!

COACH NAME: Cheryl Clarke

MANAGER NAME: Kareena Wunderlich

U6 Kangaroos vs Bilbys | Lost 6-7 |

DATE: 22/05/10 ROUND: 7

Match Report: Good to see a full team of 6 keen players. Danny was back and playing strongly, Michael did some great defence and took the ball down to the goal several times, and the new kids Aiden and Ethen fitted in quite well for their first game together. Aiden scored the first goal and played very well in all positions.

We're looking forward to some strong performances soon, hopefully with the ball finding the right goal more often. Keep up the good work boys!

U7 Lorikeets vs Kookaburras | Lost 3-7 |

DATE: 22/05/10 ROUND: 7

Match Report: Good game kookaburras nice win and really good effort lorikeets you kept up until half time and made them work hard for their win. With a bit more training we'll get there next week.

COACH NAME: NICHOLAS VLAHOGIANNIS

MANAGER NAME: PAUL TOZZI

U8/2 vs Balmain | Won 4-0 |

DATE: 22/05/10 ROUND: 7

Match Report: We keep saying that winning and losing doesn't matter, but the look on the boys faces after their first win for the season was priceless. The win could not of come at a better time as it seemed the confidence was a little down. Heads were bowed last week and held high this week. What a difference a week makes. Not to be too negative after a great result, but the boys are still bunching a little. They are looking to pass, but it is much easier on the sideline than it is when you have a couple of kids tearing down at you wanting the ball you have. A little more aggression would be good, but it seems that our boys are intimidated but some of the other teams size. No looking back now, and hopefully the start of a good finish to the season.

COACH NAME: ARTHUR ATHANASIOU MANAGER NAME: MARIA ATHANASIOU

U8/4 vs Earlwood | Lost 2-3 |

DATE: 22/05/10 ROUND: 7

Match Report: What a match. It was full of throw inns, throw inns and Throw inns. Earlwood's play tactics were and i quote "Kick the Ball Out". Roselands got enough throw in practice to last them for the rest of the season. Unfortunately we could not get enough ball in net action. Earlwood had great defence and huge kicks. Well done to Earlwood. Final Score was 3-2. A great game by Rami scoring 2 goals for Roselands. After all the throw inn practice we got James was throwing some pretty good throws and scored man of the match. Louis had unbelievable game in the goals with some fantastic saves throwing himself at the ball as a keeper should, but could not hold back the huge kicks from Earlwood. Louis was awarded most improved. Overall it was a Great game by all. Well done

U8/7 vs Marrickville | Lost 0-6 |

DATE: 22/05/10 ROUND: 7

Match Report: Our second only loss. The team played well and it was good to finally have some strong opposition to help us pinpoint our weaknesses. Marrickville played well and afterwards the coach and a parent said it was good to have a strong opposition and the parent also noted how nice it was to play against such nice kids. We will be working more on our goalkeeping and positioning. It was a nice end to the day having the team photos taken.

U16/2 Girls vs Concord | Drew 0-0 |

DATE: 23/05/10 ROUND: 7

Match Report: Hi Girls A good result for us today, but also several things we need to pick-up on and will concentrate on at training: Maintaining ball control at our feet. Too often(especially at the start of each half) did we find the Concord players simply stealing the ball from us. In moving around the field we often took too long to get the ball moving and maintain control. Keeping to our positions. This is improving, but there were times when 3 girls went in at the ball and left Concord players unmarked and free to attack. Finding each other with directed passing. Our attack is simply "opportunistic" and without structure. We need to continue to develop purposeful passing that build a momentum and place our stickers and midfielders in a position to go into attack with an advantage. Today's 0-0 result secures our position in the table. We are 3rd after 1 complete round and a better goal record than Balmain (4th) and Russell Lea(5th). Concord had beaten both Balmain(4-0) and Russell Lea(3-1), so our defence was always going to be under pressure. We held up well, even though Elizabeth had to make some good, confident saves. Several standout performances today. Dianna at centre mid did everything to turn the game in our favour. Great connection between forwards and backs. Bronte' great ball-control all over the park, especially at the back in the 2nd half. Jodie and Maryanne did all that could be asked in their positions. Many others did the little things that made a difference, like when a player(with good ball skills) got passed us, we turned and chased hard to cover them and keep them out of the goal area. These things I saw over and over again, across the park. Rana who dropped back to defend, Shella chased as always, Marissa really put boot to ball when needed, and Alex who was in the right position at the right time. Player of the Day: 3 points - Dianna (again) Very impressive and tireless in critical position. Great improver, week to week! 2 points - Bronte. Great agility on the ball 1 point - Rana, Maryanne and Elizabeth So next week we play Hurlstone Park, at PUNCHBOWL Park at 11.00am.

Roselands FC Sponsors

As a club we need funds to pay for ground hire, lighting, new strips, equipment, association fees – the list goes on.

As a not-for-profit organisation, we try to keep registration fees down, and supplement our revenue from other areas like the canteen, BBQ and fundraising. A very important part of this is sponsorship, and we will be working hard once again to make sure our sponsors are first in your mind when looking where to place your business. Our newsletter and website will feature sponsor profiles and specials, and we will promote their businesses so you win, they win and we win!

Our Sponsorship Officer position is still vacant, and if you are (or know of) a potential candidate for the position please don't hesitate to contact one of the committee members of the club.

If you are (or know of) a potential sponsor of the club or a team, please give our secretary a call. Over the season, our club will be actively involved in promoting our sponsors and giving recognition for their invaluable support.

Last year our Canteen Manager and volunteers worked very hard to raise much needed funds for the Raptors and they did a great job! The “Raptor Canteen” proved popular not with all soccer types, with many regularly queuing up for a taste of our BBQ and coffee. However, our canteen manager cannot do it alone. **ALL TEAMS & ALL CLUB MEMBERS** help run the canteen and barbeque, and therefore contribute to the running of the club.

So when your Team Manager taps you on the shoulder support your team and club and cheerfully give a little time to cover your shift. It's a lot of fun and the view is fantastic!
