Message from the Committee

Recreational sports have always required a high percentage of volunteers. The list of things that need to be done to make a club or other organization run smoothly can easily exceed the capacity of one person or a small group of people.

Roselands FC would like to personally extend a big **THANK YOU!!** to all for your contribution of time, week in week out in the canteen/bbq and field set-up, and ensure that it all runs smoothly.

The benefits of having several volunteers helping out cannot be over stated. The valued help from our many volunteers who donate their time ensures our club remains a success.

Once again thank you to all for your efforts and contribution of time!

Upcoming Events.

- **Roselands Gala Day.** This year the EC has accepted the motion of running and u/8's & u/9's Gala Day. The event will be known as Roselands Young Guns Tournament.

Come & Get Involved!!!

As you are no doubt aware this club is run by its many dedicated volunteers, including the Executive Committee, without whom the Club would not be able to function.

If you can help even a little it will help to keep the club effective and vibrant. Volunteering doesn't always require a long term commitment.

Sometimes we need extra volunteers for a specific short term function such as, helping out with the BBQ, the canteen and even setting up the playing fields.

Quote Of The Week

"Believe it or not, goals can change a game.."

Mike Channon

An Important Note To Parents:

It is for the safety of your child and his or her team mates that absolutely *no* jewellery is to be worn during games and practices. This includes earrings, watches, chains, studs, etc. It is not even acceptable to place band-aids over earrings. All referees will be asked to enforce this policy. Please respect their requests if they ask your child to remove any jewellery.

Match Reports!!

Attention! match report writers, coaches and managers...across all grades and ages we'd greatly appreciate all teams having a match report submitted. It takes just a few minutes and is enjoyed by most players and parents. With so many teams trying so hard to break into a winning run and others overcoming all sorts of difficulties, many people read all the match reports. Keep them coming and if you feel it appropriate to share the workload around, that's ok, but we do ask that this be organised through your manager.

Striker Editors

Can't find your teams match report listed below?

Then refer to your teams coach or manager, chances are that they haven't submitted one yet.

<p>Another winning performance by Roselands 8/1 today, a 3 nil score line was a true reflection of our little teams dominance .Great determination showed by all particularly from Karim who constantly shutting down the opposition with tight marking & good ball movement to our front line, special mention to Samuel who has improved out of sight this year. Guys lets enjoy our last game of the year next week & try & finish on a high.</p>

<p>Today we played Belmore for the second week in a row. It was a very exciting game. This week we were hungry. We had more shots, and our defence was much tighter. By half time we had conceded 1 goal.</p> <p>The second half was the same, with both teams trying hard. With only minutes to go we equalised. In the first period of extra time Belmore scored again. In the second period we equalised. This unfortunately meant we had to go to a Penalty Shoot Out. After a brave effort by all, it finished at 2-3 to Belmore. We still have one more chance against Earlwood next week.</p>

<p>It has taken me a while to sit down & type my last match report for the u/12-1 in 2006. Mainly due to not knowing what to type. As the score-line indicates we were resoundly beaten. A lot of people have come and asked me the 'what happened. What the score line does not show is the best 20 minutes of football we played from the start of the match. It was the first time we have started so well from the outset, Concord's forward line did not get into our box due to some well organised defence, whilst we had raid after raid. In that first 20 minutes one of our attacks resulted in the ball hitting the crossbar, coming out being struck again and hitting the upright, coming out and the third shot the keeper was able to pick up the ball. After a couple of raids like that I said to the bench "we play like that and the goals will come". Whilst the opposition were saying, with that sort of luck it was going to be their day. The last 5 minutes was not according to the script, Concord's first actual attack into our box resulted, as you might guess it, a LUCKY goal. Before the whistle blew for half time Concord scored another. At half time we spoke about how we had been in this situation before and if not drawn the game we would go on and win it. The plan was to push forward and get those goals. Inside the first five minutes it was definitely not our day, when Concord were awarded an unfortunate penalty. Christopher dived the right way but was just out of reach, 0-3. Still the game was there to be taken , but our boys heads were down and as loud and porocual our supporters were the game was out of our reach. Towards the end the boys began to tire while Concord were going from strength to strength. Congratulation Concord on your victory. To my team I spoke before the game about winning and losing today. Winning we would progress, losing we would come of the field with our heads high and remembering how far we had come from not only the start of this season but from last season, being in 2nd division and winning through to the Grand Final then this season entering into 1st division and achieving a third place on the ladder. Whilst the two other teams that come up finished the bottom two. At the end I was proud of the boys effort today and throughout the season, at the end of the game disappointment was on their faces but their heads were high.</p> <p>Last but not least Thank you to everyone, from the boys, Craig and I who came out and supported us today.</p>

<p>What a game. Not an ounce of effort was spared by anyone and only some very good goalkeeping by Leichhardt denied us the win! Probably one of the best games of the year that we have played. There was plenty of passing, chasing the ball down and a never say die attitude. Solid defence at the back meant that Leichhardt were only able to get one shot on goal during the whole match! We now wait to see some of the other results for this round! Thank you to Matthew Gwynne for helping out today as we had one player away sick and another couple only just starting to get over the flu.</p>
