President's Message

After last years success. Coerver coaching clinic was held again at Bennett Park, Karne Street, Narwee. Home of Roselands FC on 24th/26-28th April.

Sadly the camp has now finished but is safe to say that this was another very successful coerver soccer camp (April 2006) for over 50 children. These soccer programs are designed to encourage the children to learn some soccer skills, develop team play and most importantly to have fun!

We thank all those special individuals who helped make this camp a success.

If you're interested in our soccer programs please stay tuned to our web page for future announcements.

Kon Fotakopoulos

Come & Get Involved!!!

As you are no doubt aware this club is run by its many dedicated volunteers, including the Executive Committee, without whom the Club would not be able to function.

If you can help even a little it will help to keep the club effective and vibrant. Volunteering doesn't always require a long term commitment.

Sometimes we need extra volunteers for a specific short term function such as, helping out with the BBQ, the canteen and even setting up the playing fields.

**Quotes**

"I know you've heard it a thousand times before. But it's true - hard work pays off. If you want to be good, you have to practice, practice and practice. If you don't love something, then don't do it."

"If you deliberately plan on being less than you are capable of being, then I warn you that you'll be unhappy"

Con Polson

"Proud to be a Raptor – Honoured to be involved"

***An Important Note to Parents:***

It is for the safety of your child and his or her teammates that absolutely *no* jewelry is to be worn during games and practices. This includes earrings, watches, chains, studs, etc. It is not even acceptable to place band-aids over earrings. All referees will be asked to enforce this policy. Please respect their requests if they ask your child to remove any jewelry.

<p>Once again a win, all the team played a great game. We had 7 players turn up for the game which meant the kids played exceptionally well without a break. Yianni outdid himself once again showing up his natural ability to follow the ball through, shooting and scoring 9 times. Kevin scored the 10th and Theodore the 11th and final goal of the game. Matthew and Tommi showed great improvement running and passing the ball while Chloe came out of Goals for the first half of the game to show her skills. A big thank you to Imad (Zachs dad) for running and giving direction to the team on the field as our Coach was absent.</p>

<p>Sadly today was our teams first ever loss, the first didn't go to script & the boys could not get into any rhythm. Some chances on goal weren't taken by us, but Strathfield broke twice and scored two goals in two minutes late in the first half. Come the second half our boys bombarded the Strathfield goal with four shots just wide of the mark. It was very disappointing that we lost, but the boys really gave their best with no luck. Best on field: Steven, Hayden and a big defensive effort from John. Our opponent's better watch out next week, we will be back!</p>

<p>Excellent Game Roselands Under 8's. It the best since the season. Mohammed Balloul and Aaron played great defence. Thomas was our goal keeper and played his best performance ever so the Encouragement award went to him this week.</p>

<p>Our usual slow start to the game, Lakemba had a different style of play which troubled us at times both in attack and defence. Our fullbacks and keeper were kept quite busy and the heat also slowed us up. The boys came through stronger in the second half with a good win. Goals by Isaac-2, George-2, Patrick-2 and Adam-1.</p> <p style="text-align: center;">Another good effort.</p>
