## Message from the Committee

Recreational sports have always required a high percentage of volunteers. The list of things that need to be done to make a club or other organization run smoothly can easily exceed the capacity of one person or a small group of people.

Roselands FC would like to personally extend a big **THANK YOU!!** to all for your contribution of time, week in week out in the canteen/bbq and field set-up, and ensure that it all runs smoothly.

This week, **thank you** for canteen/bbq assistance to the **u/11-4's** Alan Parker, Peter Pistevos, **u/10-2b & u/12-4a's** Noel Gwynne, **u/12-4a's** Helen Trish, **u/12 Girls** Maria Savas & **u/16-2's** Samya Daizli, Athena Tiliakos.

The benefits of having several volunteers helping out cannot be over stated. The valued help from our many volunteers who donate their time ensures our club remains a success.

**Once again thank you to all for your efforts and contribution of time!**

**Congratulations & Welcome to Mrs. Maria Gissing.** Maria is the successful applicant, from the three applications received, for the Assistant Secretary's position. Maria joins the committee bringing along a wealth of knowledge and experience from previous years being on the committee.

**Come & Get Involved!!!**

As you are no doubt aware this club is run by its many dedicated volunteers, including the Executive Committee, without whom the Club would not be able to function.

If you can help even a little it will help to keep the club effective and vibrant. Volunteering doesn't always require a long term commitment.

Sometimes we need extra volunteers for a specific short term function such as, helping out with the BBQ, the canteen and even setting up the playing fields.

**Quote Of The Week**

"The referee was booking everyone. I thought he was filling in his lottery numbers. "

*Jan Wright*

***An Important Note To Parents:***

It is for the safety of your child and his or her teammates that absolutely *no* jewelry is to be worn during games and practices. This includes earrings, watches, chains, studs, etc. It is not even acceptable to place band-aids over earrings. All referees will be asked to enforce this policy. Please respect their requests if they ask your child to remove any jewelry.

<p>Once again what a wonderful win. Our opponents are overwhelmed at our talent. We were told that we should be in division one and even then we would still be on top of the ladder. Congratulations to Nelson &amp; Zac for receiving the encouragement awards. Goals to Adam 9, Peter E. 2, Brendan 1.</p>

<p>A very cold day!!!. Finally a full team played giving us 2 reserves. Yianni scored 4 goals and Jihad scored 1. The team didn't find it hard to have control of the ball and bringing it to goals, a great little goal keeper within Five Dock didnt let us score. Harrison and Theodore are showing great improvement as our goal keepers. Yianni continually shows his skills taking control of the ball with Jihad and Kevin running right beside him. Kevin showed determination to score but with no luck on his side his many attempts went without reward. Overall another great game for all the team. Congratulations!</p>

<p>Today we came up against the benchmark of the competition, Enfield rovers, they taught us a very important soccer lesson , that we must play together as a team ,individually we match this side and we did many fine things on the park but we failed on some basic points which we will address at training. Enfield did manage to score 4 goals &amp; all 4 were direct mistakes by us ,the kids were very upset after our loss today because we are a team not use to losing which shows to me that they take their soccer very serious and this defeat we be the most valuable lesson we could be taught. Magnificent effort by our goalkeeper hayden some very fine saves, karrim for his never die attitude, lets all learn from this and become a better side.</p>

<p>Scrappy game but we'll take the win.The boys strung some good passes together with two good goals by Frank. This was the boys first game in wet and heavy conditions and they were not used to it as they all continually sliced the ball. But under the condtions they put in a solid performance with Andrew as solid as a rock at the back.</p>

<p>Another cold &amp; windy morning greeted us. Marrickville had a couple of large strong boys that moved around the park very well. They proved to be our biggest challenge for the day, scoring two very good goals. We were able to get two goals back. Most of the second half was a close contest, but two late goals secured the match for us. Goals by George-2, Isaac-1 &amp; Adam-1.</p>		
<b>Coach: Con Potsou</b>		<b>Manager: Gary Ford</b>

<b>U12/1</b>		<b>Lost: 0-6</b>
<p>Today, Marrickville turned up to show that they were a better team than the First round match, and we, Roselands, well we cannot offer any excuses other than some reasons, three players on the injured list, not being switched on and positional changes, all these did not help. Being behind nil two at half time was a situation that we have been in before and came back to either draw a game or even win. But our heads were down from the first goal and could not recover today. Congratulations Marrickville, for us it is a very much a needed break coming up to heal our injuries and get back to basics. Thank you to Isaac, George, Patrick &amp; Adam from the u/11-4's for helping out today it helped in not making the score any worse. Thank you to Harry and Craig for taking over while John was away.</p>

<p>A much better result this week. The passing was there, we were running into space off the ball and we were chasing all the time. Goals to day to Andrew (2), Nicholas, Matthew and Peter (first for the club)! We made good use of the wind in the first half to be 4-0 up, however we still created the chances in the second half despite only scoring one further goal. The back line was very solid indeed, which is proven by the fact that Matthew and Joshua A who both played a half in goals did not have to touch the ball at all - not even for a goal kick.</p> <p>Thanks to Matthew and Jack from the U10's who made up the numbers for us as we had two players away, and thanks to Noel Gwynne and Helen Irish for BBQ and Canteen duty.</p>
